Please let me know if I have reached the right person at your school.

We are offering a \$1,000 scholarship available to future college students who play or have played sports at the high school level. This years high school seniors are eligible to apply if they will be attending college next year.

Here is our webpage with more information on the application and selection process.

I would appreciate it if you could include our scholarship contest along with the other Private Scholarship resources you make available to your senior students.

Should you have any questions or require more information please feel free to contact me.

Thank you,

David Frank
